

An Enchanting Adventure Awaits

All across Richmond and Wayne County fairy dwellings have magically appeared in shops, cafes, museums, gardens and galleries. These small enchanted dwellings and gardens offer a glimpse into the mystical world of fairies. Peeking through some windows or doors you may spot a fairy bed, kitchen, or a fairy itself. Built with a colorful array of materials, the fairies offer you an exciting chance to explore the area in a unique fashion.

You may leave small gifts or write letters at some locations which offer mail boxes, allowing direct interaction with some of the fairies. Enjoy your adventure!
